### **RULES/JUDGING**

1. **Judging Criterion.** Place will be determined based solely upon the highest controlled point Reached in time. Competitors reaching the same high point will receive the same place.
2. **Tools.** Leashless tools are highly recommended. Tools will be checked at the bottom of the route. Umbilical leashes will not be allowed. Leashless tools must drop from an open hand. No heel spurs are allowed.
3. **TR.** Stay on route. You may not weight tools with anything other than your hands or arms. You may not hook your feet, legs, or any other appendages on your tools. Any violation of this rule will result in disqualification.
4. **Boundaries.** The route may contain a boundary line; placing a tool or foot across that line, if any, will result in disqualification.
5. **Previewing.** You may view the route from the Base only, but may not use viewing aids (binoculars, viewing scopes, etc.)
6. **Broken Holds.** Suck it up, you're in the Chugach.
7. **Appeals.** The competition will be videotaped. Any appeals must be made by competitors immediately, with a \$50 deposit. Upon review by judges, if appeal is confirmed, the \$50 is returned, otherwise the money is forfeited.
8. **Results** will be announced at the end of the day. Award Ceremony at Organic Oasis.
